Head of Human Resource,
Bankrol Africa,
Abuja.

Hello sir,

I am writing to apply for the position of a Quantity Surveyor at Bankrol Africa. I am a recent graduate of Kaduna Polytechnic, having studied Quantity Surveying and completing a year of primary assignment at Beehive Global Concept Ltd. as part of their Quantity Surveying Team.

Alongside my academic knowledge, my yearlong placement has afforded me a significant practical experience in areas such as valuations, material and labor mobilization, taking-off quantities, analyses and report writing on tendering process. I also gained insight into claims and contracts administration and documentations.

I am now looking to sharpen my skills and learn further in this field and would be grateful for the opportunity to discuss my application further.

Kind regards,

Busari Rukayat O.
